

Signing Into Google Classroom.

1. Go to classroom.google.com and click **Sign In**.

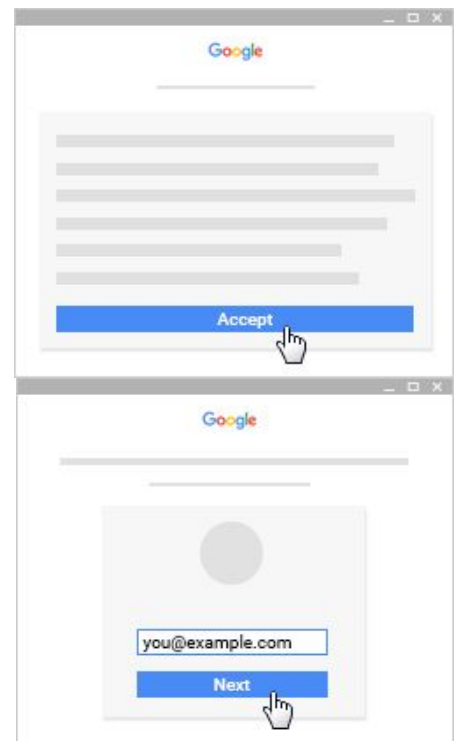

2. Enter your school email address firstname.surname@coopersschool.com
E.g James.Fabregas@coopersschool.com

Your password should be the same as your school password you login into the school PC's

Any issues with your password you need to reset your password at school by speaking to the school IT support team.

3. Enter your password and click **Sign in**.

4. (Optional) If there is a welcome message, read it and click **Accept**.

5. All your School Classes should be available on the screen. Any issues please see your class teacher/School IT support or email Googletraining@coopersschool.com

If there are any issues with compatibility please download/update to the latest Google Chrome from here:

<https://www.google.com/chrome/browser/desktop/>

Other known issues are:

That Google Classroom may not login if you are already signed in with a @gmail.com account. You need to make sure you are logged out of all the other Google accounts before signing in.

If you have any issues regarding logging out or signing into google chrome please see this help article below.

Please follow these steps below:
