

Outstanding A Level results - August 2018

Congratulations to all of our Year 13 students who collected their A Level results on Thursday 16th August. This year's results were a reflection of the hard work our students have put in over the last two years. The number of students achieving the top A*-A grades is significantly above their aspirational target. 25% of all students achieved A*-B, and 50% achieved A*-C. BTEC results were also excellent, with nearly 50% of students achieving a Merit, Distinction or Distinction*.

Our Year 13 students achieved an outstanding A Level pass rate comparable with the national average. 10% achieved the A*-A grades, 25% achieved A*-B grades and 75% achieved A*-C grades. Some of our individual subjects did exceptionally well; particular mention should go to Art where 50% of students gained an A* grade and Finance, Textiles, Further Maths and Photography where A*-B was over 50%.

Particular congratulations go to:

- Ashleigh Mullins who achieved AABC and will study Psychology at Durham University
- Lauren Fuller who achieved AABC and will study for a Masters in Professional Legal Practice at Peason College London
- Euan Pryce who achieved AAB and will study Mechanical Engineering at the University of Southampton
