

## Outstanding GCSE results

Year 11 students have been celebrating their GCSE results which now include the new 9-1 grading for the majority of subjects. Comparisons cannot reliably be made with previous years because of these reformed qualifications. English outcomes were in line with national average and Maths outcomes were above national average in all grade boundaries with 18 students achieving grades 8-9.

Our sixth form enrolment desk has been extremely busy and we have been able to offer most students exactly what they wanted as they achieved the entry criteria. We have had over 400 external students also apply for our limited number of places. Enrolment continues until Friday 31st August for internal and external students. If you have any questions please email [mbaker@coopersschool.com](mailto:mbaker@coopersschool.com).

To highlight a few of our amazing results:

- 96% grade 4-9 in Chemistry with 23% achieving the highest 7-9 grades
- 95% grade 4-9 in Further Maths with 43% achieving the highest 7-9 grades
- 93% grade 4-9 in Biology with 43% achieving the highest 7-9 grades
- 91% grade 4-9 in French with 32% achieving the highest 7-9 grades

Results in Graphics, Media, Science, Drama, PE, History, Creative Writing were all above national average.

# COOPERS SCHOOL

There were some incredible performances by individuals listed below, including a number who achieved the new grade 9 in English/Maths.

Grace Cullen	10 grades 7-9	(2 grade 9s in Biology and History)
Jessica Edge	10 grades 7-9	(4 grade 9s in Maths, Biology, Chemistry, Physics)
Michal Mlynarz	9 grades 7-9	(2 grade 9s in Biology and Chemistry)
Jade Lambert	9 grades 7-9	(1 grade 9 in Maths)
Aliceah Welsh	8 grades 7-9	(1 grade 9 in Maths)
Chloe French	8 grades 7-9	
Jonathan Craddock	7 grades 7-9	(1 grade 9 in Physics)
Francesco Sanna	7 grades 7-9	(1 grade 9 in French)
Sydney Pearce	7 grades 7-9	(1 grade 9 in Maths)

Joe Coshall	7 grades 7-9
Marcus Legemah	6 grades 7-9
