Dear Parent/Carer

Re: Brighton University Lab Visit – Monday 17 December 2018

We are pleased to invite you to our first University of Brighton lab visit. The purpose of this visit is to demonstrate theoretical knowledge in a practical and engaging environment. It will allow students to run physiological testing on one another and further their knowledge in multiple areas.

This day is also a valuable experience for those students wishing to follow a career pathway that involves sports science, physiotherapy and medical fields.

Lab sessions may include:

- Lab based fitness testing
- Environmental physiology
- Sports performance analysis

The cost of this trip is £35 which can be paid via WisePay. Students will meet at school in suitable PE attire and will be driven to and from the University of Brighton for the taster day. Exact timings for the day will be emailed out as soon as they are confirmed.

If you have any questions, please do not hesitate to contact me on lmccabe@e21c.co.uk.

Yours faithfully

Mr L McCabe
Head of GCSE and Newton House

Senior Vice Principal: Matthew Baker Vice Principals: Rob Carling | Samantha Chapman | Hazel Hatch
