Dear Parent/Carer

Re: A Level Psychology Grade Booster Workshops (AQA) – Monday 26 November 2018 at Westfield (Stratford)

I have arranged to take A Level Psychology students to the above workshop on Monday 26 November. The workshop is separated into four workshops (one per main topic) which are designed to provide essential revision support to AQA Psychology students as they complete their preparation for Paper 1, Paper 2 and Paper 3.

The intensive Grade Booster workshop format is designed to:

- Reinforce core A Level Psychology teaching content that has been taught so far, including key foundation topics from Year 1.
- Enable students to catch-up with, and re-cap key topics from Year 1 (AS) that may be examined in the terminal exams but which will not be taught again.
- Build student understanding of, and confidence in the core assessment skills that they need to master in order to perform strongly in the three terminal papers.
- Help students prepare effectively, and provide a focus for mock exams.

The cost of this workshop is just £25. This also includes a comprehensive student workshop booklet and extension/follow-up activities, as well as a digital download of the workshop resources.

The Psychology Department believes this will be an extremely useful day for the students and, along with thorough revision and exam practice both in class and independently, will really help them boost their understanding of the examination requirements and their overall grade.

We will travel by public transport and students will be making their own way to and from the venue. If you would like to secure a place for your child on this trip please complete and return the attached reply slip, together with the £25.00 payment, which can be made through WisePay.

If you have any questions please do not hesitate to contact me via email – Jheath@E21C.co.uk.

Yours faithfully

Miss J Heath
Director of Psychology
