Dear Parent/Carer

Re: A Level Sociology Grade Booster Workshops (AQA) – Monday 26 November 2018 at Westfield (Stratford)

The workshop is separated into four workshops (one per main topic) which are designed to provide essential revision support to AQA Sociology students as they complete their preparation for Paper 1, Paper 2 and Paper 3.

The intensive Grade Booster workshop format is designed to:

- Refine and sharpen key exam techniques for the three AQA A Level Sociology papers
- Build confidence in the essential assessment skills
- Cover a wide range of core topics that are likely to be tested in June

The cost of this workshop is just £25 for a day of tuition. This also includes a comprehensive student workshop booklet and extension/follow-up activities, as well as a digital download of the workshop resources.

The Sociology Department believes this will be an extremely useful day for the students and, along with thorough revision and exam practice both in class and independently, will really help them boost their understanding of the examination requirements and their overall grade.

We will travel by public transport and students will be making their own way to and from the venue. If you would like to secure a place for your child on this trip please complete and return the attached reply slip, and make the payment of £25.00 on WisePay. Please do not hesitate to contact me if you have any questions – hkhoyratee@e21c.co.uk.

Yours faithfully
