Dear Parent/Carer

### Re: Activities Week Year 9 Maths Trip to Rope Runners – Tuesday 3 July

We are delighted to offer students in Year 9 the opportunity to participate in using and applying their mathematical skills in a real life context at Rope Runners, as part of the Coopers Activities Week learning experience.

During the visit the students will engage in a fun packed programme of adventure activities (e.g. assault, tunnelling, ropes, orienteering and team building), while being challenged at times to use and apply their mathematical skills and knowledge to solve problems.

The students will leave school at 8.30am and travel by coach to Rope Runners in Essex. Students are required to bring a packed lunch for the day (with spare drink/water bottle as it is expected to be a hot day). The students will spend the day on site and we expect to return to school by 4.30pm (traffic permitting).

The coach company that will be taking the students to Rope Runners, as well as the venue, have been assessed for Health and Safety and their Public Liability Insurance as part of the planning process for this trip.

The cost of this trip is £45. If you wish your child to participate in this fantastic learning opportunity then please log on to WisePay on the Coopers School website to secure your child a place. If you have any problems logging on to WisePay please contact Mr Merry at [dmerry@coopersschool.com](mailto:dmerry@coopersschool.com). There are only a limited number of places available on the trip and places will, therefore, be allocated on a first come, first served basis.

If you have any questions or queries regarding this trip please do not hesitate to contact me at [joyedeji@coopersschool.com](mailto:joyedeji@coopersschool.com).

Yours faithfully

Mr J Oyedeji  
Subject Leader - Mathematics

Chair of Governors: Andrew Downes

Senior Vice Principal: Matthew Baker

Vice Principals: Rob Carling | Samantha Chapman | Hazel Hatch | Jane Salt | Niall Toal
