Dear Parent/Carer

Re: Activities Week Trip for Year 10 to the London Bridge Experience on 5 July

We are delighted to have students in Year 10 visit the London Bridge Experience as part of our activities week in July. The London Bridge Experience is an interactive experience, telling London's spooky history. Students will get to hear, see, and even smell what London was like through the ages.

Students will meet and register in the Sports Hall at 8.30am. Students will then make their way to the coach, which is due to depart school at 9.30am. We are due to depart the venue at 2.00pm and return to school. The coach is due to depart from London Bridge at 2:00pm. The cost of the trip includes both the entrance to the venue and the coach travel.

Students should wear school uniform, however trainers or other suitable footwear may be worn. A coat or waterproof is advised in the event of wet weather.

Students should bring a packed lunch, drink and snack, as there will be limited opportunities for students to purchase food. They may bring a small amount of money to spend in the gift shop.

Students taking part in the trip will be expected, as representatives of the school, to behave in an exemplary manner. Students who fail to meet the standards and expectations regarding behaviour during the visit, will be withdrawn and we will be unable to refund payment.

Yours faithfully

Ms Odigie
