5 October 2108

Dear Parent/Carer

I am delighted to inform you that our first LEAP day for this academic year will take place on Friday 12 October. Year 7 will be taking part in a teambuilding day which usually requires a two day overnight trip but we have successfully secured an external company to bring all the necessary equipment on to our site in order to vastly reduce the cost of the day.

Students will take part in up to 32 different team building and problem solving activities of their choice. These activities have been designed to encourage the students to plan, communicate, work together and stay motivated in a fun, energy packed activity day.

Due to the nature of the activities we ask that students wear their own clothes and that they are aware these may well get muddy! A change of clothes is, therefore, advisable. The majority of the day will take place outside so please also ensure students have coats and waterproof jackets where possible. Normal timings of the school day apply, including break and lunch. Please can all students arrive to school promptly in order that they are ready to start this exciting day at 8.30am.

We have been able to secure a fantastic price of £12 per student for the day which will cover all resources and activities. You are able to pay this on WisePay or students may bring exact money in to either myself or Mrs Dowling. Please note the deadline for payment is Friday 12 October.

Please do let me know if you have any queries or questions about the day. Students will be given more information about the day during their next assembly.

This is a brilliant opportunity for students to have a completely unique learning experience and I hope they find the day beneficial and enjoyable.

Yours faithfully

Ms C Krause  
Director of Learning, Year 7

Senior Vice Principal: Matthew Baker  
Vice Principals: Rob Carling | Samantha Chapman | Hazel Hatch
