Dear Parent/Carer

Re: Robot Wars – Friday 21 September 2018

I am delighted to advise you that your child has the opportunity to experience an exciting afternoon at Greenwich University Medway Campus, to watch and assist a team of our students with the robot they have designed. The competition will be against other schools from the South East of England.

We will travel to the University in a hired minibus with a driver, plus two members of the Design and Technology Faculty. This trip is completely free of charge – however, your child will need to bring a packed lunch and plenty of drinks as we cannot guarantee what food there will be available to purchase on the campus.

Students should meet at 8.30am in Room L2 (Technology) and we anticipate returning to school at approximately 2.30pm (traffic permitting).

If you have any questions or concerns regarding this day trip, please do not hesitate to contact me at tchapman@e21c.co.uk.

Yours faithfully

Ms T Chapman
Design and Technology

Please return to Mr Barker or Ms Chapman in DT
