16 January 2018

Dear Parent/Carer

### Re: Trip to Tenpin Bowling in Bexleyheath - Tuesday 23 January 2018

I am delighted to offer your child the opportunity to participate in using and applying their mathematical skills in a real-life context during the next LEAP Day experience on 23 January 2018. During the trip your child will use their mathematical skills to collect and analyse data, while enjoying some games of bowling.

The trip is on Tuesday 23 January 2018. On the day your child will need to arrive at school by 9.00am and report to the canteen, where they will be met by myself to be registered. We will travel to and from Bexleyheath by bus and your child will, therefore, need to be in possession of a valid Oyster Card. The trip will be a non-uniform trip; please ensure your child dresses appropriately and sensibly and they wear/bring a pair of socks. Bowling shoes will be provided.

The cost of the trip is £10, which includes two games of bowling and a burger lunch at the venue. Your child will need to bring a drink with them. If you wish, your child may also bring a small amount of money to purchase additional drinks or snacks throughout the day.

After the two games of bowling and food your child will return to school by 3.00pm and be dismissed.

If you wish your child to participate in this experience then please login to WisePay by Monday 22 January and pay the cost of £10 to secure a place for your child. Please contact Mr Merry on [dmerry@coopersschool.com](mailto:dmerry@coopersschool.com) if you have any problems with accessing WisePay.

I am really excited about being able to offer this opportunity to your child. Please do not hesitate to contact me at the school (Ext: 222 or [srowan@coopersschool.com](mailto:srowan@coopersschool.com)) if you require any further information.

Yours faithfully

Miss S Rowan  
Director of Mathematics

Chair of Governors: Andrew Downes

Senior Vice Principal: Matthew Baker

Vice Principals: Rob Carling | Hazel Hatch | Jane Salt | Niall Toal
