5 October 2018

Dear Parent/Carer

### Re: Year 10 LEAP Day Geography Fieldwork studies

I am delighted to advise you that your son/daughter will be taking part in a trip to London on 12 October 2018 as part of their Geography Fieldwork studies. The trip is compulsory during the LEAP day, as they will need to collect and carry out the fieldwork investigation, which will be used within their GCSE Geography examinations in Year 10.

On the day your son/daughter must arrive at school with their full equipment (pen, pencil, rubber and ruler) and in their own clothes (warm clothing/waterproofs may be required as we will carry out the fieldwork regardless of the weather conditions, unless there are extreme circumstances). However, please ensure that your child is appropriately dressed with no logos on their clothing. Any student who is inappropriately dressed may be removed from the trip. School rules will also still apply to the wearing of make-up and jewellery as we will be representing Coopers School within the wider community.

During the day we shall be leaving school and walking to Chislehurst train station. It is highly recommended that comfortable walking shoes should be worn as there will be a fair amount of walking during the data collection.

There will be a break during the field trip for lunch. Please ensure your son/daughter brings a packed lunch with them as there will be no opportunity to buy lunch during the day.

Once the students have completed their investigations and returned to Coopers School, they will be dismissed from the school in the usual way.

This trip will be a fun and productive day out in London. Please do share this information with your child and should you have any further questions or queries please do not hesitate to email me – [mfelton@e21c.co.uk](mailto:mfelton@e21c.co.uk) or Miss McLeggan - [cmcleggan@e21c.co.uk](mailto:cmcleggan@e21c.co.uk).

Yours faithfully

*M Felton*
