Dear Parent/Carer

Re: UKMT Intermediate Challenge

I am delighted to inform you that your son/daughter in Year 10 at Coopers School has been entered to take part in the UKMT Intermediate Challenge 2018 this year. They have been chosen to take part as they have continuously demonstrated excellent problem solving skills and positive attitude towards their learning here at Coopers. I hope they are looking forward to the Intermediate Maths Challenge which is taking place on Thursday 1 February here at school, during the normal school day.

Your child's Maths teacher will have explained this to them and will be giving them a past paper or two to enable them to get some practice.

They can also get some online practice by following the link below and registering for an account. This provides an excellent opportunity for them to practice their problem solving skills which are not only part of the Intermediate Maths Challenge but are also very important now for their GCSE.

Please encourage your child to practice using the links provided:

<https://uk.edfinity.com/join/LDANW93R>

<https://uk.edfinity.com/join/PUMRL9YD>

Many thanks for your continued support.

Yours faithfully

Mrs S Arivanantham
KS4 Subject Leader – Maths
