Dear Parent/Carer

Re: Post 16 Open Evening – Thursday 15 November 2018

I hope that your child has started Year 11 positively and is already considering their options for next year. With this in mind, I would like to extend my invitation to our Post 16 Open Evening on Thursday 15 November. The event will run from 4.30pm until 7.30pm and will give you an opportunity to look at the many different courses on offer at Post 16. You will also be able to speak to members of staff in each faculty, as well as current students, about what these courses entail. You will also have an opportunity to tour the exclusive and expanding Post 16 facilities. Mr Baker (Senior Vice Principal) and I will speak about the opportunities available at Post 16. These talks will take place in the Creative Arts Block at 5.00pm and 6.00pm.

Entry on the evening will be through the lower gate (at the end of Hawkwood Lane) where you will be able to collect a prospectus after signing in. Please note that although the event runs until 7.30pm, last entry is 6.45pm to enable you to visit all the subjects across our large site. No entry will be permitted after this time. Limited parking will be available in the Marjorie McClure car park.

I look forward to seeing as many of you as possible. However if you are unable to attend but would like a tour of the facilities and to discuss options and the application process, I am available on Saturday 17 November between 9.00am and 12.30pm. Please email the Post 16 Administrator, Miss Reece, at TReece@e21c.co.uk, if you would like an appointment to come in on this day. Please be aware that there will be no subject staff to speak to on this day.

I hope that you are able to attend the Open Evening and that your child begins to find out about their Post 16 options. In addition to this, the Year 11 Parents' Evening on Wednesday 28 November will be an opportunity for students to discuss option choices with their specific subject teachers.

I look forward to seeing you at both of these events.

Yours faithfully

Mr A Sheppard
