8 February 2018

Dear Parent/Carer

Re: Year 11 LEAP Day - "It's a Knock Out"

I am delighted to let you know about our plans for the Year 11 LEAP Day on 28 February. All Year 11 students will be based within the Maths Department, and we have an exciting day planned.

An outside company is coming in to school to run a session called "It's a Knock Out." Students will be divided into teams of 10 and they will have to compete against each other in a variety of games based on giant inflatables. The games will test their skills in team work, with all 10 team players being in the game at the same time!

The games will take place around the normal school day timings and students will need to wear their school PE kit in order to take part in the physical activities. We advise that all students bring a spare PE kit or set of comfortable clothing to change into in case the weather permits outside activities that include foam and small amounts of water.

The cost of this activity is £25 and this should be paid via WisePay by Wednesday 14 February 2018.

As with any activity organised by the school, we are relying on all students to behave in an appropriate manner and portray the school positively to the outside company running the event. Any students who are not behaving appropriately will be removed from the event and sent to an exit room within the Maths Department.

We are hoping that as many Year 11 students as possible get involved in this exciting opportunity. There will be score announcements and prizes at the end of the day for the winning teams! Unfortunately, if there is not enough interest, the event will have to be cancelled and students will be based within Maths all day.

If your child does not wish to participate or payment is not made by the deadline, then they will take part in another activity within the Maths Department.

Yours faithfully

Miss Simmons
