8 February 2018

Dear Parent/Carer

Re: Science Trip for Year 7 to the London Science Museum on 28 February

Our next LEAP day is on Wednesday 28 February, when the Science Faculty will be running a trip to the Science Museum for all students in Year 7. The Science Museum strives to be the best place in the world for people to enjoy science, and has hundreds of interactive exhibits for students to enjoy and learn from.

This trip is completely free of charge. Students should report to Lomax at 8.30am as we will be departing before 9.00am. We will be taking public transport to the museum, and will be returning before 3.20pm. Students will be escorted back to school, and will not have permission to make their own way home from either the train or from Chislehurst station. They should wear school uniform, and bring a packed lunch.

In order to secure a place for your child on this trip, please sign up via WisePay. If you have any problems in accessing WisePay, please contact Mr Merry – dmerry@coopersschool.com. Please note that places on this trip will be allocated on a first come, first serviced basis.

Yours faithfully

Mrs R Golding
Director of Science

Chair of Governors: Andrew Downes

Senior Vice Principal: Matthew Baker

Vice Principals: Rob Carling | Hazel Hatch | Jane Salt | Niall Toal
