Dear Parent/Carer

Re: Peer Mentoring Program for Year 7 Students

Your child has been selected to take part in our Peer Mentoring programme. We aim to support as many Year 7 students as possible with their transition from primary school into Year 7 and beyond, and many of those taking part go on to become Peer Mentors themselves in either Year 10 or Year 12.

The Peer Mentors will be in your child's form on Wednesdays. They will get to know the whole form but pay particular attention to those children we have chosen for the programme. Peer Mentors may occasionally take their mentee outside to the benches for a one to one chat if that is what they would both like.

We hope that you agree that this is an exciting opportunity for your child. If you have any questions or would like to speak to me about any aspect of this initiative, please do not hesitate to contact me via email on aporteous@e21c.co.uk.

Yours faithfully
