15 October 2018

Dear Parent/Carer

Re: Maths Day Trip for Year 7 to the London Science Museum on 7 November 2018

Our next LEAP day is on Wednesday 7 November 2018, when the Maths Faculty will be running a trip to the Science Museum for all students in Year 7. The Science Museum's world-class collection forms an enduring record of scientific, technological and medical advancements from across the globe.

This trip is completely free of charge. Students should wear full school uniform, however, trainers will be permitted as there is a considerable amount of walking involved throughout the day. They should also bring a packed lunch. Students will be escorted back to school for approximately 3pm, and will not have permission to make their own way home from Chislehurst station.

In order to secure a place for your child on this trip, please sign up via WisePay or complete the slip below before Wednesday 31 October 2018. If you have any problems in accessing WisePay, please contact Mr Creedon on tcreedon@e21c.co.uk. Please note we reserve the right to refuse a student from attending, if there are any behaviour concerns leading up to this trip.

If you have any questions or queries regarding this trip please do not hesitate to contact me at sla@e21c.co.uk.

Yours faithfully

Mr S La
Aspirational Coordinator Maths
