Dear Parent/Carer

### Re: Year 9 Spanish Project

I am delighted to inform you of a fantastic Spanish project that your son/daughter has been invited to take part in.

This academic year, the Modern Foreign Languages Faculty continues to work closely with our partner school in Spain with the aim of supporting your child with their Spanish linguistic skills in preparation for their GCSE examination. As part of the successful pen pal letter exchange routine, we have initiated another exciting project which will also help your son/daughter develop their confidence in Spanish.

Students from our partner school, called Colegio de Secundaria Salesianos Ramón Izquierdo, in Badajoz, have worked very hard to create a few videos showing our Year 9 students their school and sharing with us details about their school life, ie school rules, the subjects they study, their extracurricular activities and a lot of interesting ideas about secondary schools in Spain. It is now our turn to produce interesting clips where we can show them our school life as a Coopers student and details about education and culture in the UK.

Please complete the slip at the bottom of this letter to give permission for your child to take part in this exciting project. In addition, your child will also be required to sign the slip in order to accept this invitation.

Yours faithfully

Mrs E Moreno  
Subject Leader of Spanish
