

## Outstanding GCSE results

197 Year 11 Coopers students have been celebrating an outstanding set of GCSE results which now include the new 9-1 grading for the more challenging, “reformed” English Language, English Literature and mathematics GCSEs. Comparisons cannot reliably be made with previous years because of these reformed qualification, but we should particularly celebrate a remarkable 83% grades 9-4 in English (national average 60%) and 71% grades 9-4 in Mathematics (national average 61%). 4% of students achieved the highest grades, grade 9.

Our sixth form enrolment desk has been extremely busy and we have been able to offer most students exactly what they wanted as they achieved the entry criteria. We have had over 350 external students also apply for our limited number of places. Further enrolment will take place on Wednesday 30th August and Thursday 31st August for internal and external students. If you have any questions please email [mbaker@coopersschool.com](mailto:mbaker@coopersschool.com).

To highlight a few of our amazing results:

- 100% gained a C or higher in Chemistry (with 41% achieving an A or A\*).
  - 93% gained a C or higher in Biology (with 31% achieving an A or A\*)
  - 90% gained a C or higher in Physics (with 41% achieving an A or A\*).
  - 100% achieved a Pass or higher in ICT (with 46% achieving a Distinction or Distinction\*).
  - 100% achieved a Pass or higher in Sport BTEC.
  - 91% achieved a C or higher in Food Technology.
  - 87% achieved a C or higher in Art.
  - 86% achieved a C or higher in GCSE Drama.
  - 83% achieved a C or higher in GCSE PE.
  - 78% achieved a C or higher in Music.
  - 76% achieved a C or higher in Media.
- These are well above national averages.

# COOPERS SCHOOL

There were also excellent results in Further Maths, Business, Geography, Electronics, French, Spanish, German, Portuguese and Turkish.

There were some incredible performances by individuals listed below, including a number who achieved the new grade 9 in English/Maths.

|                  |  |
|------------------|--|
| Ben Baguley      | seven A*A, one Distinction*, one grade 8 in Maths              |
| Freddy Flaherty  | seven A*A, one Distinction*, one grade 9 in Maths              |
| Sarah Waddington | seven A*A, one Distinction*, two grade 9s in Maths and English |
| Ricky Wong       | seven A*A, one Distinction*, one grade 9 in Maths              |

|                   |   |
|-------------------|---|
| George Dickenson  | six A*A, one Distinction*, one grade 8 in English, one grade 9 in Maths |
| Louise O'Sullivan | six A*A, one Distinction*, three grade 8 in English and Maths           |
| Lily Payne        | six A*A, one grade 8 in Maths   |
| Lily Girton       | five A*A, one Distinction*, one grade 8 in Maths                        |
| Anders Larsson    | five A*A, one Distinction*, one grade 8 in Maths                        |
| Netra Shah        | five A*A, one grade 8 in Maths  |
| Princess Ighedosa | four A*A, one Distinction*  |
| Rosie Frail       | three A*A, one Distinction*, two grade 9 in English                     |

I am absolutely thrilled with these outstanding results. The students and staff worked so hard to achieve them. Congratulations to all.
